

We often get asked for ingredient lists for our beef custom processing recipes. Following are our PLUS level processing recipes.

These recipes are also available with the fully tailored CUSTOM service; CUSTOM service is available Mon.-Fri., but **with State of Iowa Inspection (Wed. & Th. harvests,) CUSTOM service has an additional recipe library not listed here.** (See the 'Inspected Processing' tab beneath 'Custom Processing' on our website. The brochure link is 'Cooked Processed Meat Products & Premium Value-Add Products'.)

Regarding 'Spices': Because recipes are proprietary, multiple spices may be grouped together and listed simply as 'Spices' IF none of the ingredients can be classified as allergens.
