All processed meat charges are based on total raw weight, including cheese, etc.

Products may include allergens such as milk, wheat, and soy. The facility our products are produced in also uses eggs and gluten in some products. Ingredient statements are provided on our website.

All cuts and value add products are crafted with your own meat. Story City Locker doesn't commingle for seasoned or cooked products.

Direct-To-Consumer processing is labeled with the customer name and Not For Sale on the label.

Story City Locker is a State of Iowa inspected small meat processor offering both direct-to-consumer and CIS inspected processing. The Cooperative Interstate Shipment Program (CIS) allows State of Iowa inspected harvest to have a federal-style mark of inspection and to be sold in and across state lines. Days of inspection are limited. Product offerings are expanded. Contact the locker to request inspection if you intend to resell your meat and meat products.
